

# Call for expressions of interest for gender equality in rural areas

EU CAP Network workshop  
15 November 2022

## An Expression of Interest for gender equality in rural areas

---

1,5M € available in 2021-2022, aiming at:

- access to women's rights in rural areas,
- preventing and fighting domestic violence against women in rural areas,
- financial autonomy and access to employment for women in rural areas.

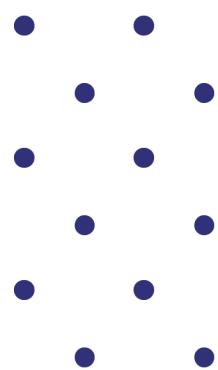

---

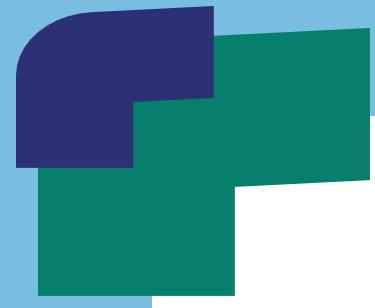

In partnership with the Minister delegate to the Prime Minister for gender equality

---

October 2021: launch of the first Eol (budget: 500 000 €) targeting national and inter-regional associations

March 2022: launch of the second Eol (budget: 1M €) targeting associations active at the regional level (within each region)
