

**Friday
21st April, 2023**

9.30 - 1:20pm

LEADER LEARNING SHOWCASE

Communities across Donegal, Leitrim, Sligo, Cavan, Monaghan and Louth have been busy, and we want to let you know all about it!

Over the past three years, we have learned so much that will support community development across the region and beyond.

Join us virtually in celebrating the success so far as we share the learning and opportunities for making regional development even more innovative for years to come.

To join the event livestream, register at the link below.
