#MonitoringCommittees

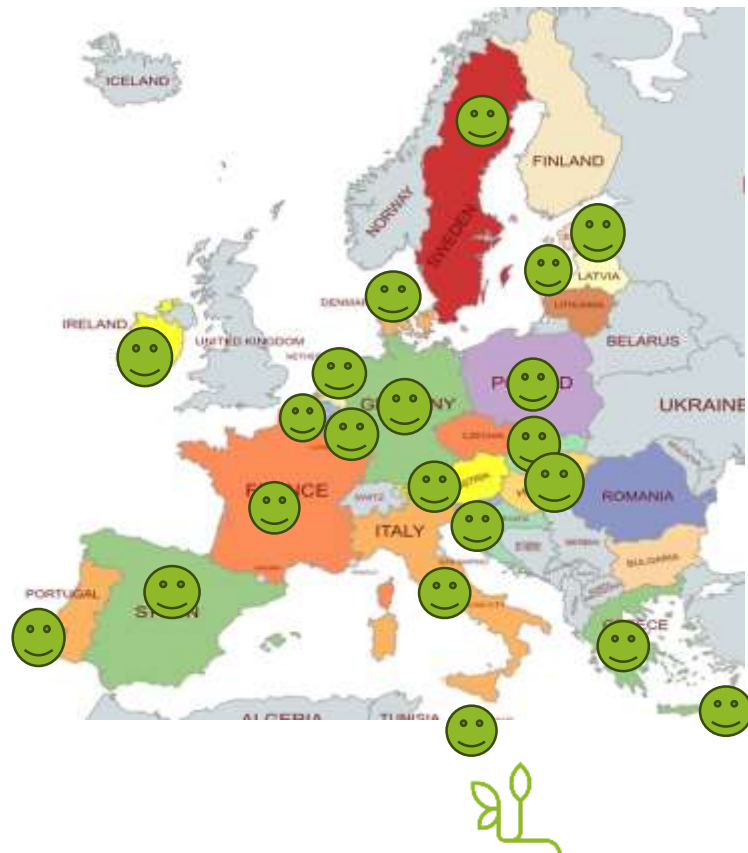

Monitoring Committees

36 Members

21 Member States (& EU)

Variety of Stakeholders:

- › Managing Authorities
- › National Networks
- › Businesses
- › Farming Organisations
- › Environmental, Community NGOs
- › Researchers
- › Paying Agencies
- › Advisory Service

Objectives (1)

- Exchange experiences in the establishment and operation of current Monitoring Committees, including any reflections on applying important lessons learned from previous programming periods.
- Identify and share possible good practices on different aspects of Monitoring Committees operations (from current and previous programming periods).

#MonitoringCommittees

Objectives (2)

- Understand how the National Networks could effectively support the operation of the Monitoring Committees.
- Develop conclusions that will inform and provide advice for Member States on the effective setting-up and functioning of Monitoring Committees.

#MonitoringCommittees

Our aims for today

- Exchange experiences in the establishment and operation of Monitoring Committees, including lessons learned from previous programming periods.
- Identify and share possible good practices on different aspects of Monitoring Committees operations.

#MonitoringCommittees
