-  Meeting recorded
-  Microphones off
-  Rename yourself with Name / Organisation / Country
-  Write in chat
-  Raise hand to speak
-  Use headsets

#Ecoschemes

Composition of the Thematic Group

- › 40 Members
- › 22 Member States (& EU)
- › Variety of Stakeholders:
 - › Managing Authorities
 - › National Networks
 - › Businesses
 - › Farming Organisations
 - › Environmental NGOs
 - › Advisors

Objectives

The objectives of this TG are to:

- › **Share experiences** on the different approaches to the design of eco-schemes.
- › Explore the relative merits of the **approaches taken** and whether there are lessons to be learned for the future.
- › **Explore issues relating to implementation**, particularly how eco-schemes have been promoted and how farmers have reacted to their introduction.
- › Develop ideas and **recommendations for improvements** that could be made toward both eco-scheme design and/or implementation in future years.

#Ecoschemes

Our aims for today

› What will we accomplish today?

- › **Exchange experiences** on the design and implementation of eco-schemes.
- › Identify and share what is **working well** and what **issues are arising** in terms of uptake of eco-schemes.
- › **Share lessons learnt** from the first year of implementation of eco-schemes and amendments considered in the short and medium-term.
