

EU CAP Network Seminar

‘Skills and lifelong learning for agricultural advisory and training service providers’

Selection Criteria

All applications will be assessed based on the following criteria:

- › The applicants are able to demonstrate keen interest in the topic at hand, as well as in participating in the seminar, with special reference to the main and specific objectives of the seminar.
- › With respect to contributing to the objectives of the Seminar, applicants demonstrate existing expertise and background on the topic, and are able to share and exchange ideas, knowledge and experiences with the other participants.
- › Applicants are able to demonstrate in what ways their participation in the seminar potentially adds to their professional activities, as well as what the potential impact for their beneficiaries.

The involvement of applicants in relevant projects and initiatives will also be considered in the assessment of application forms. Geographical balancing will be applied to ensure balanced distribution of participants across member states.

Further information on this event can be found on the [seminar webpage](#).
