

EU CAP Thematic Group on **CAP Strategic Plans: Monitoring Committees** 

> 2nd TG meeting 25/01/2024

## **Plenary discussion**

Increase frequency of meetings: helps to keep the agenda short and allow for discussions

Frequent meetings and format --> increase effectiveness

Frequency of meetings, more meetings so that members can express their opinion

Mix hybrid and physical meetings

Organise excursions - allow for knowledge build up

## **Key Actions proposed**

Effective engagement is key - multiple formats are possible

Informal meetings before official meetings

Continuous engagement such as email exchanges

feedback regarding simplifications, modifications, criteria, implementation

Simplification: simplify CAP delivery mechanism logic to render participation

Ask questions that matter adapt procedures & legislation to allow for real participation of MC members, not just mandatory

Make sure that input has been taken on board

How to engage members:

Ensure adequate communication flow

Importance of good agenda to facilitate a good exchange of views

Need to have a good Chair to focus discussions and keep on track

Address questions that members can answer

Ensure engagement of the members

Capacity building to ensure that members can effectively engage in communication

Ensure inclusiveness

Size of members of MC: what is a good mix, how many members?
