

# National Networks & LEADER - Setting the scene

3rd NN Meeting | 20 March 2024

Peter Toth

EU CAP Network - CAP Implementation Contact Point

#LeaderCLLD

#NNMeeting

Funded by  
the European Union

## The tasks of networks – a short reminder

Article 126 of Regulation (EU) 2021/2115 (CAP Strategic Plans regulation) specifies the objectives and activities relevant for the national and European CAP Networks.

Collection, analysis, dissemination of good practices

Capacity building for MS administrations and other actors

Platforms, fora and events to facilitate exchanges of experience

Collection of information, dissemination, networking of local action groups

Support for cooperation projects

Links to other Union-funded strategies or networks

Participating in and contribution to activities of the EU CAP Network

Cooperating with and contributing to the activities of national CAP Networks.

Contributing to the further development of the CAP

# National Networks supporting LEADER - some recent examples

- › Workshops on the 2023-2027 programming period and the new Local Development Strategies (Croatia)
- › Work on youth entrepreneurship and young LEADER summer seminar (Estonia)
- › National process – development of a model to demonstrate LEADER added-value (Finland)
- › Thematic capacity-building sessions for LEADER project officers on biodiversity, water quality, broadband and social inclusion (Ireland)
- › Help with identifying result indicators and setting target values for LAGs (Netherlands)
- › Website with specific LEADER related content, weekly newsletter with LEADER stories, cooperation with LAGs (Slovenia)
- › Technical and methodological support network for LAGs with regular meetings / annual two-day seminar for LAGs / website / thematic booklets and videos (France)
