

Thematic Cluster on LTVRA, Rural Pact, Rural Observatory

1

The Swedish NN presented lessons learned from the Rural Pact conference organised in Sweden (in May 2023), such as the need to amplify young rural voices, interact more with LEADER and LAGs, and engage as many stakeholders as possible in the Rural Pact.

2

The Rural Pact Support Office attended the second meeting and gave a presentation on how NNs can contribute to the Rural Pact and LTVRA.

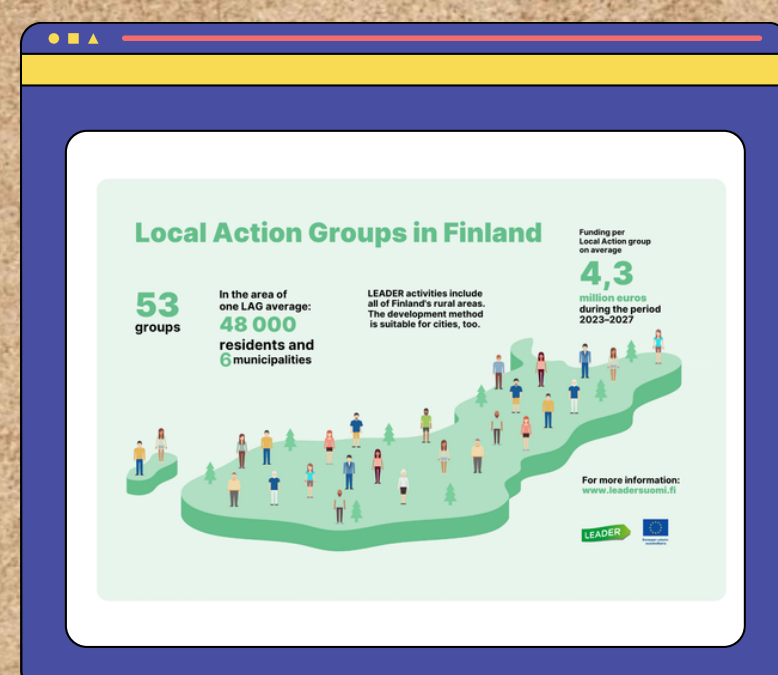

Members of this cluster followed up on the conclusions from the high-level meeting on the Rural Pact in Spain (in September 2023).

It was suggested that countries holding the EU Presidency could organise high-level events on the Rural Pact, similar to what Spain and Sweden did.

4

5 The Finnish NN explained the national approach to LTVRA.

The Estonian NN is organising information webinars on the Rural Pact, explaining and encouraging stakeholders to join the Rural Pact platform.

6

7 In this cluster, there was a general consensus on the need for NNs to be an integral part of the Rural Pact Community.

8 Members of this cluster agree that the Rural Pact can emphasise the role of LEADER.
