

Updates on National Networks' Thematic Clusters

Cristina Rascón García, 3rd NN Meeting

#NNMeeting

Funded by
the European Union

1 year of Thematic Clusters!

- Thematic Clusters **were established during the 1st NN Meeting** in Croatia
- **Clusters are led by NNs** for NNs – participation of EU CAP Network
- **NNs also meet in Geographical clusters** (Mediterranean, Atlantic, Central-Eastern European and Nordic-Baltic)
- **Synergies between TCs and other networking activities:**
 - AKIS and Atlantic cluster
 - Smart villages and Smart Rural 21 project
 - Communication cluster & EU CAP Network communication workshop

List of Thematic Clusters

Communication, involvement of Pillar 1 stakeholders and dissemination of CSP

AKIS and innovation

LTVRA, Rural Pact, Rural Observatory

Rural Youth and generational renewal

Smart villages and digitalisation

Green architecture and eco-schemes

CAP evaluation and monitoring

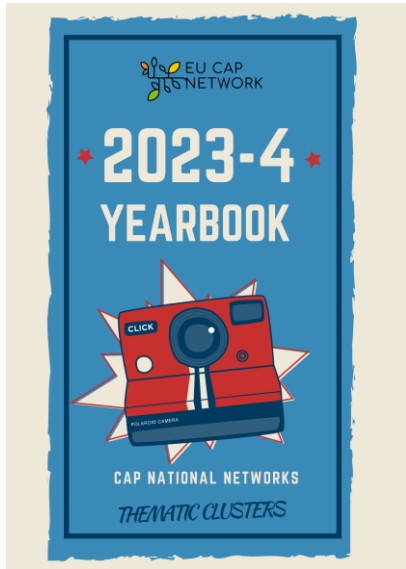

Regional antennas

Help us get TCs' yearbook ready!

- Each TC has its own yearbook.
- We collected **highlights** from each cluster. Help us identify which highlights belong to which TC.
- **Brainstorm** about possible topic of discussion of interest to the cluster. If you are member of a cluster move to the discussion about it.
- Interested? You can join any cluster

#NNMeeting

To which Thematic Cluster does your highlight belong to?

#NNMeeting

Communication, involvement of Pillar 1 stakeholders and dissemination of CSP

LTVRA, Rural Pact, and Rural Observatory

Rural Youth and generational renewal

Green architecture and eco-schemes

CAP evaluation and monitoring

Regional antennas

Brainstorming!

- **Topics:** Which other topics would you like to focus on in the future?
- **Examples and case studies:** Do you know any case study or good practice that could be presented in a meeting of this thematic cluster?
- Any other suggestions?
- **Do you want to join?** Please add your name, last name, MS, and email address
