EU CAP Network Conference
‘EIP-AGRI Operational Groups: Innovation in practice’

Estoril, Portugal
6 - 8 May 2024
Elena-Teodora Miron
modernAKIS
How are Managing Authorities, National CAP Networks and Paying Agencies supporting OG in different stages of the project? modernAKIS contribution
1 Vision

AKIS actors use modernAKIS to leverage their resources (personal, organizational, systemic) and evolve towards a more coherent, effective and efficient AKIS, which connects potential OG partners with the rest of the AKIS actors and vice versa.

modernAKIS provides value through knowledge and tools, national and pan-European networking and capacity building events.
modernAKIS objectives

- 1.000 members in a pan-European network
- 10 cross-border events for innovation projects
- 1.000 members in a pan-European network
- 1 benchmarking tool for AKIS
- 1 set of reference indicators for AKIS
- 6 online modules enabling AKIS thinking and systems conceptualization
- 80 tools and methods for AKIS well-functioning (policy, organization, management)
- 90 capacity building and networking events

Target group: Managing Authorities, CAP Networks and other key AKIS actors
1,000 members in a pan-European network

10 cross-border events for innovation projects

1,000 capacity building and networking events

1 benchmarking tool for AKIS

1 set of reference indicators for AKIS

6 online modules enabling AKIS thinking and systems conceptualization

90 capacity building and networking events

80 tools and methods for AKIS well-functioning (policy, organization, management)

14 AKIS CB General Assemblies

Target group: Managing Authorities, CAP Networks and other key AKIS actors

Practice-based examples on how to improve the environment for interactive innovation and AKIS actors
2. How does modernAKIS contribute to an enabling environment for OGs?

- Forum for Managing Authorities to exchange on CAP intervention design, incl. EIP intervention and calls
- Collection of well-working examples on how to enable EIP OGs (funding models, cross-border exchange, cross-border calls etc.)
- Showcasing innovation projects and the value they create at Europe-wide events of AKIS Coordination bodies
- 10 cross-border events for innovation projects
- Regular networking events linking key AKIS actors from all over Europe (yearly topical priorities)
- A European network with more than 1.600 members including ISS, MA, and other key AKIS actors
How does modernAKIS contribute to an enabling environment for OGs?

- Connect with potential project partners
- Find practical tools for OG-work (interactive innovation)
- Learn about AKIS (Trainings)
- Network with peers (Events)
