# Welcome to the EU-FarmBook!

The EU-FarmBook is an under development **user-friendly online platform** to help get the **practice-orientated knowledge** from EU-funded research & innovation projects **into the hands of farmers, foresters, advisors and many other end-users** across Europe and beyond

....sharing your results for better uptake by practice,  
more widely **during** and **beyond** the lifespan of your  
OG project

## FEATURES

**Dedicated project page beyond the lifespan of your OG**

**Free maintenance-hosting and open access**

**Greater project visibility and findability on national and EU level**

**Automatic translation**

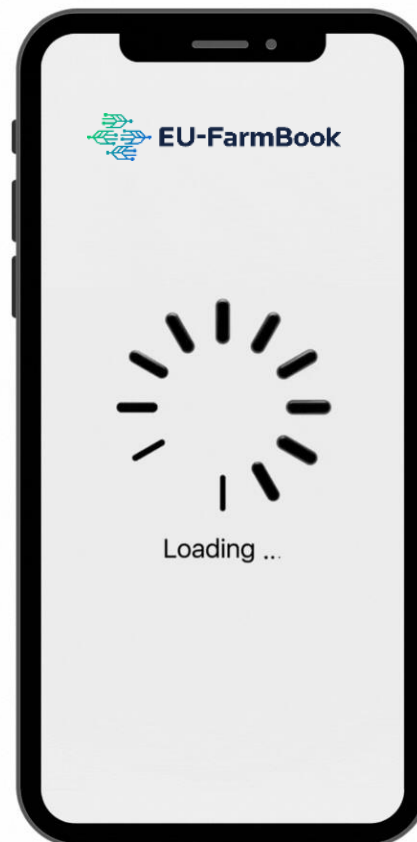

**Easy upload process (manual or via API integration/connection)**

**Integration of substantial & broad range of practice-oriented materials of potential use to others**

**Platform funded, endorsed and (eventually) owned by the EC**

### Multi-lingual support

What to expect?

**2024:** Upload in multiple EU languages.

**2025:** Platform interface accessible in all EU languages.

**2026:** Content from selected practice-oriented materials automatically translated into 3 languages and English.

**2027:** Content from selected practice-oriented materials automatically translated into more than 3 languages and English

**Freely available practice-oriented knowledge from EU-funded projects**

**Focus on meeting the needs of farmers, foresters and other rural actors**
