**EU-FarmBook**

eufarmbook.eu 

The platform is **being developed** to test a big idea:

Can all the tangible outputs of EU-funded research and innovation projects be brought together and organized in one user-friendly platform to help get practical knowledge into the hands of the farmers, foresters, and other rural actor across Europe who need it most?

**THIS INCLUDES EIP-AGRI OPERATIONAL GROUP PROJECTS SUPPORTED UNDER THE CAP!**

# EU-FARMBOOK BENEFITS FOR OPERATIONAL GROUPS

## ENHANCE KNOWLEDGE EXCHANGE AND DISSEMINATION

ENHANCE KNOWLEDGE EXCHANGE AND DISSEMINATION OF OG PRACTICE ABSTRACTS AND OTHER MATERIALS FOR POTENTIAL USE TO OTHERS (FARMERS, FORESTERS AND ADVISORS)

*dissemination of "substantial material of potential use to others"*

## INCREASE ACCESS TO KNOWLEDGE OF OGS

FREE ACCESS TO PRACTICE-READY KNOWLEDGE GENERATED BY OG ACROSS EUROPE THROUGH A SOPHISTICATED SEARCH FUNCTION AND TRANSLATION IN MULTIPLE LANGUAGES

*'freely available knowledge for the use of all'*

## CONNECT OPERATIONAL GROUPS

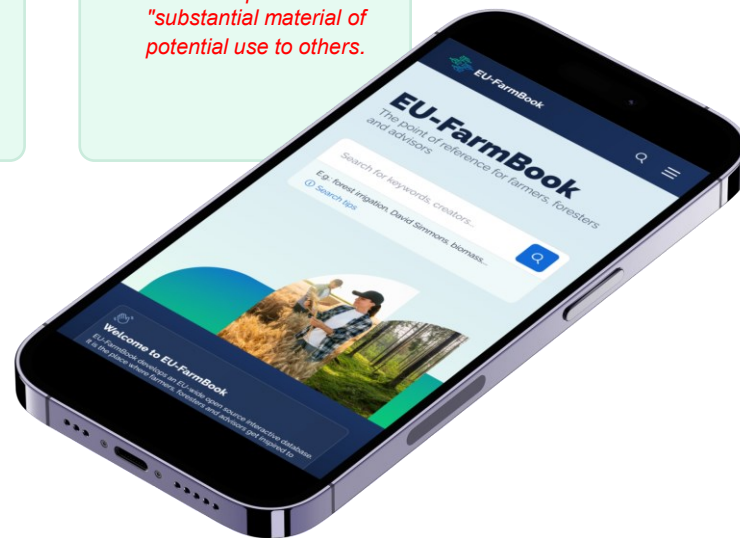

INCREASING VISIBILITY OF OGS, STRENGTHENING KNOWLEDGE FLOWS AND LINKS BETWEEN OGS AND OTHER ACTORS INCLUDING FARMERS, FORESTERS AND ADVISORS

*enable OGs to 'communicate on activities from start of their project'*

## IMPROVE QUALITY OF PRACTICAL MATERIALS

SUPPORT TO IMPROVING THE QUALITY OF THE PRACTICE ORIENTED OUTPUTS OF OGS TO ENHANCE USE AND RE-USE OF OUTPUTS BY OTHERS

*development of "substantial material of potential use to others."*

## Multi-lingual support

### What to expect?

**2024:** Upload in EU languages.

**2025:** Platform interface accessible in all EU languages.

**2026:** Content from selected practice-oriented materials automatically translated into 3 languages and English.

**2027:** Content from selected practice-oriented materials automatically translated into more than 3 languages and English

Important for  
Operational  
Groups!

- › The EIP-AGRI Innovation awards created a unique positive atmosphere and experience for all nominees, winners and conference participants.

## Your support was very important for the OGs and for us!

- Disseminating the Call for interest
- Encouraging OGs to apply
- Helping nominated OGs with producing their videos
- Accompanying and helping us throughout the process

And thank you for supporting the **Conference 'EIP-AGRI Operational Groups: Innovation in practice'** as well!

## 2<sup>nd</sup> European CAP Network workshop 'National networking for innovation'

Location still TBC  
Last week of January 2025

## 2<sup>nd</sup> workshop 'National networking for innovation'

### > Objectives:

- > The overall aim of this workshop is to create opportunities for peer-to-peer learning and inspirational exchange on experiences, approaches, and good practices in networking for innovation, building up the capacity of national CAP networks within this context based on the needs of the NN.

### > Target Audience:

- > National CAP Networks
- > Managing Authorities
- > AKIS Coordination Bodies
- > Paying Agencies

## Involving National Networks in the preparation of the workshop

- Please complete a brief survey that will reach you soon!
- Two priority topics have already been proposed:
  - Transnational cooperation between OGs, and between OGs and other innovative projects
  - Fostering the setting-up of cross-border and transnational OGs
- Three additional topics proposed in the survey are up for prioritisation with a possibility to add new ideas
- Identify relevant **thematic areas** for transnational cooperation between OGs, and between OGs and other innovative projects

Thank you and see you in January 2025!
