

# Thematic Group on Enhancing Biodiversity for Improved Resilience

1<sup>st</sup> TG meeting, 23 September 2024  
EU CAP Network

Funded by  
the European Union

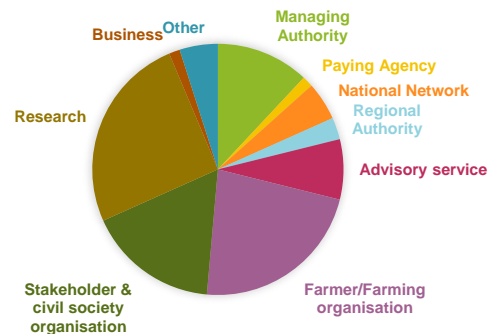

## Issues and challenges for biodiversity schemes

### Context

- › Open expression of interest: 23 July – 23 August
- › 142 responses from 25 MS (plus EU level)
- › Question on issues and challenges with biodiversity schemes

Stakeholder Groups submitting EoI

#BiodiversityForResilience

## Overview of issues and challenges mentioned

Limited information,  
awareness &  
knowledge exchange

Administrative burden  
& complexity

Limited funding &  
financial incentives

Scheme design

Improvements  
needed for  
monitoring &  
evaluation

Overcoming farmers'  
reluctance to adopt  
biodiversity measures

Limited stakeholder  
involvement

## Parallel group discussions

- Participants are split into 3 groups
- › 1h open discussion on experiences of the design and implementation of interventions for improving biodiversity outcomes on farmland at scale
