

## Invitation: Result-based funding models in agriculture 14<sup>th</sup> November 2024

Ministry of Agriculture and Forestry and Ministry of the Environment are pleased to invite you to the “Result-based funding models in agriculture” seminar that will take place in Turku, Finland on 14th November 2024.

### Draft Agenda

Morning session (09:00-11:30):

Plenary session: The state of play on scientific recommendations on result-based funding models. Insights to the future of public funding on environmental goods. Knowledge gathered from ongoing examples of implementing result-based schemes. Our aim is to invite experts from the commission, member states and research institutes to give presentations on these topics and to attend to afternoon workshop. We are expecting 100+ national participants from the administration, advisory services, research institutes, farmers etc..

Lunch

Afternoon session (12:15-13:45):

Workshop on result-based agri-environmental payment schemes: sharing experiences on different approaches to design result-based schemes and finding solutions to tackle barriers of implementation.

Workshop is targeted to different organizations, working with new funding models in agriculture. Organisers have sent targeted invitations to experts on this topic but the workshop is open to interested delegations from the member states as well.

Ministry of Agriculture and Forestry, Ministry of the Environment and Rural Network Support Unit of Finland are in collaboration organizing an event on result-based funding models in agriculture.

We would appreciate if participants could register for the event by 01 November 2024:
