Collection of Good Practice Examples

The aim is to collect examples of schemes and initiatives that deliver biodiversity outcomes at scale, i.e. where the focus is beyond individual farms and encourages action at a wider landscape scale through collaboration and coordination of action between land managers. Please add your examples by filling the form!

Add your examples

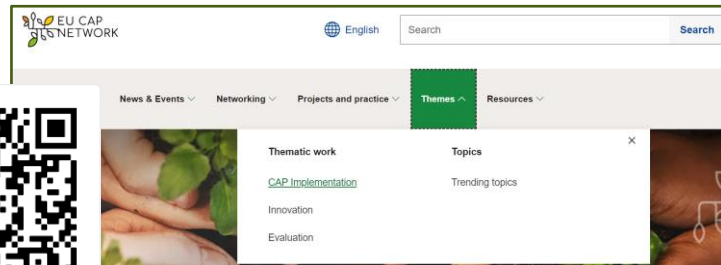

Upcoming Thematic Work

- Currently planning upcoming thematic activities
 - Expression of interest open now for TG on [Economic Vulnerability of Farming](#) (Deadline for submissions 15/12/2024)
 - Additional TG to be opened soon
- Stay tuned!
