

EU CAP Network seminar 'On-farm demonstrations for peer-to-peer learning & innovation'

Selection criteria

All applications will be assessed based on the following criteria:

- › Applicants must demonstrate a keen interest in the topic, and participation in the seminar, with special reference to the main and specific objectives of the seminar.
- › Applicants should demonstrate existing expertise, and the ability to share and exchange ideas, knowledge and experiences with other participants.
- › Applicants need to show how their participation in the seminar could potentially enhance their professional activities, and the potential impact on their stakeholders or network.

The involvement of applicants in relevant projects and initiatives will also be considered in the assessment of application forms. Geographical balancing will be applied to ensure a balanced distribution of participants across Member States. Further balancing will ensure the selection of a diverse range of participants according to their professional, organisational and project backgrounds.

Further information on this event can be found on the **seminar webpage**.
