**Evaluation Plan of the SPCAP**

Wednesday, 19<sup>th</sup> of March

**Blanca Ojosnegros Gozalo**

Cofinanciado por  
la Unión Europea

# INDEX

**1. Spanish CAP Management Authority**

**2. Evaluation of Spanish Cap network**

Past and future activities

**3. Contribution to the Evaluation**

# 1. Spanish CAP Management Authority

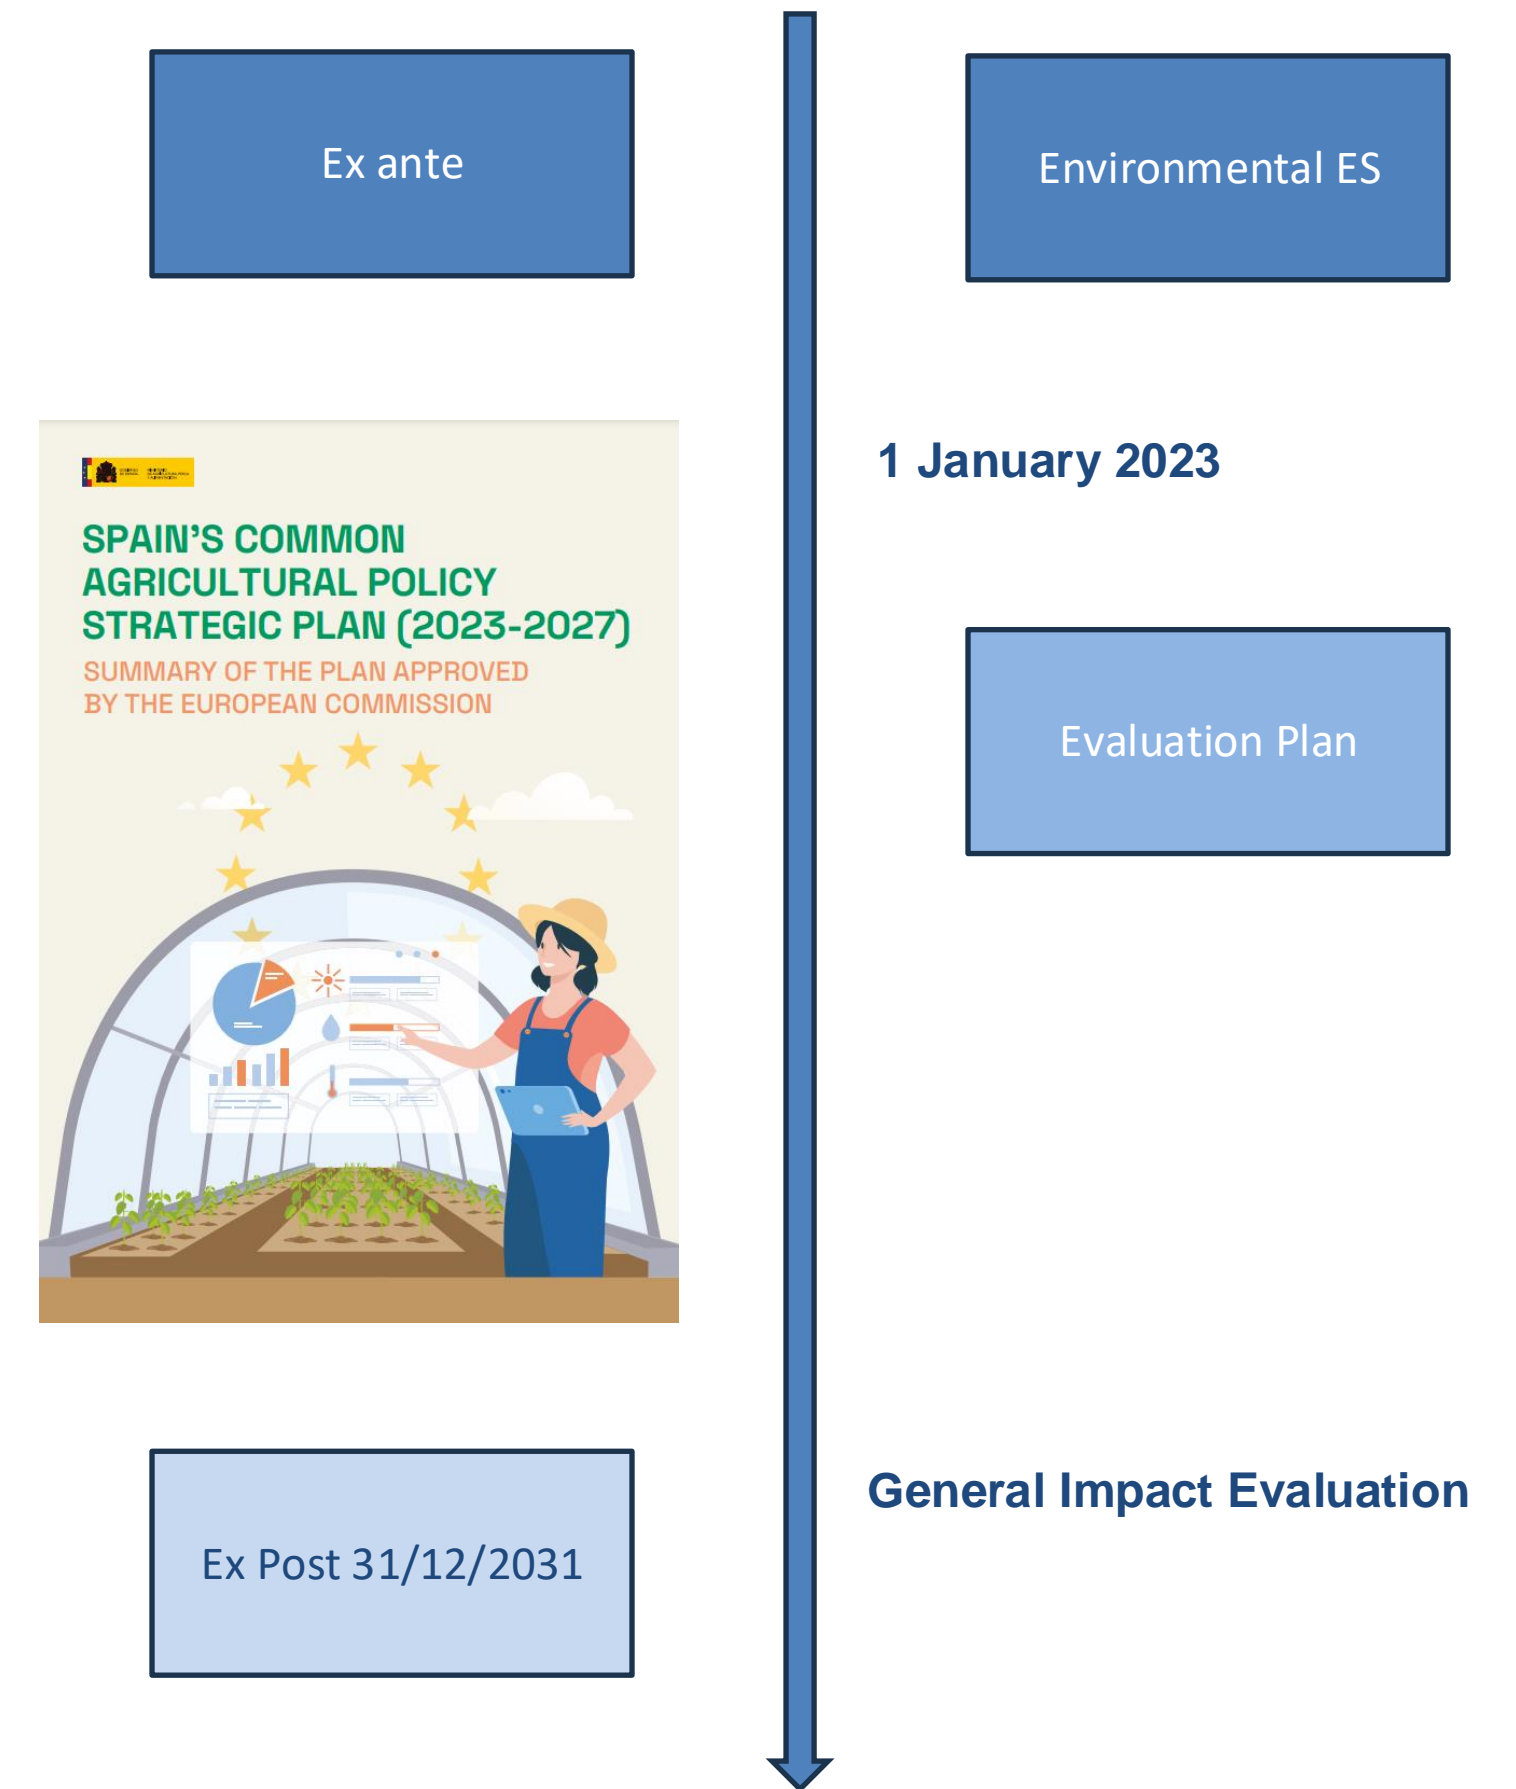

- Spanish CAP Management Authority is located in the **General Sub directorate for Agricultural Policy Planning** which belongs to the Ministry of Agriculture, Fisheries and Food.
- **Spanish CAP Network Management Unit** depends also on the General Sub directorate for Agricultural Policy Planning.
- Spanish CAP Network is a meeting point that connects all the people and entities related to the rural environment and agricultural activity.
  - To disseminate and ensure compliance with the objectives of the CAP Strategic Plan.
  - Facilitate its implementation throughout the territory.
  - It brings together organizations, administrations, advisors, researchers and other innovation actors.

Spanish CAP Management Authority

# 1. Spanish CAP Management Authority

- Spanish CAP Management Authority includes **Evaluation Unit**, which makes the monitoring of CAPSP implementation and progress towards the achievement of the goals set.
- It is necessary to establish a performance, monitoring and evaluation framework of CAPSP for the purpose of demonstrating progress and assessing the impact and effectiveness of policy implementation.
  - Effectiveness, efficiency, relevance, coherence, added value of the Union and impact of its CAPSP
- **Comission will develop an Evaluation of the same targets about FEAGA and FEADER, and performance (new model before 31/12/25; intermediate 31/12/26; second report 31/12/27).**

## 2. Evaluation of Spanish CAP network

- Evaluation Plan of CAPSP includes thematic evaluation for:
  - Direct sowing-Echoesqueme
  - Gender perspective
  - Generational renewal
  - LEADER
  - **CAP NETWORK**
  - Simplification
  - Centrally managed financial instrument
  
- Governance: This evaluation will be carried out by the PEPAC Managing Authority evaluation team.
  
- Final phase of the implementation of the PEPAC (2028): An evaluation of achievements with effectiveness and efficiency criteria will be carried out on the CAP Network, both on the functioning of the CAP Network and on the way it has contributed to achieving its objectives.

## 2. Evaluation of Spanish CAP network

### 1. Planification

- Participation in Workshops of Evaluation related
- The Assessment is scheduled to start in 2028.
- Subsequent information can be accommodated in 2029 or a post-evaluation review will be carried out to update the assessment with new information.

### Workshop on evaluation

Collaboration between the Swedish CAP Network, the Evaluation Secretariat (Swedish Managing Authority) and the EU CAP Network

Dicho **Plan de comunicación sobre seguimiento y evaluación del PEPAC** incluirá las siguientes actividades de comunicación atendiendo al siguiente cronograma estimativo.

Cronograma estimativo de las actividades de comunicación

Resumen de cada evaluación (público general)									
Materiales divulgativos de los resultados de las evaluaciones (público general)									

- Nowadays it is being analyzed and evaluated last period Plan of Rural Development that includes Rural Network evaluation.
- The content of this Evaluation will be used and implemented after its publication in the next months/year.

### 3. Contribution to the Evaluation

- CAP Network is a key part in the **dissemination** of evaluation results
- It organises events to present the evaluations and disseminate their results. In addition, through its communication channels, it will disseminate the main evaluation results, adapting formats and language to the different segments identified:

social networks

website

magazine

Monthly newsletter

communication materials

- Workshops with a direct link to the PEPAC assessment:
  - [Presentation of the Evaluation Plan of the Strategic Plan of the CAP | CAP Network 24 October 2023](#),
  - [LEADER evaluation day | CAP Network 17 October 2024](#)
- The **summary of the PEPAC Evaluation Plan** has been elaborated, but it has not yet been published.
- Spanish CAP Network attends the **evaluation cluster meetings** that have been held online.

### 3. Contribution to the Evaluation

- CAP Network carries out **training activities** identified as capacity building needs in evaluation and specific working groups may be held to discuss evaluation results, to gather information on evaluation stakeholders, etc.
  
- Finally, the CAP Network fills in the indicators and provides the information requested for the **annual monitoring and the different evaluations** they are carrying out in relation to the activities we develop in the different areas:
  - Common Network Statistics (CNS)
  - CAPSP simplification evaluation
  - Equal Report of the Ministry of Agriculture, Fisheries and Food (MAPA)
  - Information and publicity PNDR
  - etc.
  
- **2025** the evaluation will continue to be supported by providing all the necessary information and indicators. As well as through the implementation of other activities such as:
  - Preparation of a report analysing the implementation of the PEPAC and identifying proposals for improvement
  - Preparation of a brochure on PEPAC evaluations.
