

Pathways for addressing Economic Vulnerability

Discussion

#Economicvulnerability

Final Proposals from group clusters

Group 1 (Preparedness and Preventative Actions) - Diversify to thrive: strengthening farm resilience and income through tailored support

Group 2 (Insurance & use of mutual funds) – Reducing farm income vulnerability by enhancing participation in risk management tools through lower transaction costs

Group 3 (Business Growth through co-operation) - European exchange programme for Cooperatives - Erasmus style approach for education / share good practices & business solutions

Group 4 (Supporting Environment) – Targeted strategies to address financial, digital and bureaucratic barriers

Vote for your favourite proposal!

Please rank the proposals from 1 – 4
(Number one being the one you think hit the mark!)

Menti code: **5161 5716**

There will be a prize for the winning proposal!!
