

6th National Networks Meeting

Draft Agenda

**1-2 October 2025
Razlog, Bulgaria**

The 6th National Networks (NNs) Meeting is jointly organised by the EU CAP Network and the Bulgarian National Network.

Main objectives of the meeting:

- To identify the current and planned work that National Networks are doing in support of CAP implementation, find common areas of work with the EU CAP Network and other initiatives at the EU level.
- To collaboratively explore the understanding of the diverse thematic work carried out by National Networks and find collaboration opportunities among them.
- To provide updates on thematic clusters and discuss strategies for moving forward.
- To follow up on the 4th NN Meeting: [Networking Hackathon](#), offering additional opportunities to strengthen networking and cooperation among National Networks.
