- Duration: 01.04.2024 – 31.03.2026 (2 years)
- Volume: € 81.027,30
- Funding rate: 80%

LESSONS LEARNED

- Especially transnational collaboration is fundamentally initiated by workshops – Cooperation corner is best practice
- Collaboration is crucial to foster innovation in rural regions (Pechlaner et al., 2008)
- In-depth and fluent exchange
- On-Site meetings are important
- **TRUST**

PROJECT SUCCESS

ADDED VALUE

- Development and maintenance of international & national network
- Learn from each other → knowledge transfer
- Get to know challenges of different countries
- Resource enhancement
- Positive image gain and visibility

ADDED VALUE - SUMMARY

- Transnational projects bring innovations, networks and European visibility
- National projects bring specific implementation, regional identity and fast results

LEADER SPIRIT

regio
