

## Setting up an Operational Group

**1** IDENTIFY THE PROBLEM OR INNOVATIVE IDEA

The illustration shows a farmer in a hat and overalls standing in a rural landscape with green hills and sheep. A thought bubble with a question mark is above his head. To the right, there is a desk with a blue bottle of medicine with a red cross, a pencil, and a document with a sheep icon and gears.

**2** FIND THE RIGHT PARTNERS TO MAKE YOUR PROJECT WORK

The illustration shows a man sitting at a desk with a computer monitor. He has a question mark in a speech bubble. Above him are icons for a telephone, a person, and a document with a farmer icon. To the right, there are three colorful binders (blue, orange, yellow) and a white mug.

**3** GET TO KNOW THE DETAILS AND MAKE A PLAN

The illustration shows a computer monitor displaying the word 'Funding' and a search bar. A green arrow points from the monitor to a blue piggy bank with the European Union flag. To the right, a hand is holding a pencil and drawing a flowchart on a whiteboard with icons for a target, a gear, and a lightbulb.

**4** SPREAD THE RESULTS

Visit the EIP-AGRI website for relevant information and useful networking tools

The illustration shows a hand holding a megaphone pointing towards a map of Europe with a network of dots. To the right, a computer monitor displays the EIP-AGRI logo and the text 'eip-agri AGRICULTURE & INNOVATION'. Below the monitor is a desk with a pencil holder containing various tools like a pencil, eraser, and ruler.
